## Car - A/C Services

The Car Air Conditioning system requires maintenance to continue functioning as well. Your car's A/C should keep you cool and comfortable all through the hot summer. Getting a car air conditioner service at the first sign of trouble will save you both money and time.

### How do I know if I need a Car Air-conditioning Service?

- Air is not and cold as it used to be
- Foul smell like mildew coming from the A/C
- Unusual rattling sounds
- Puddles or stains from the water on your car's floorboard

### How SANDO AUTOMOBILES would help you?

SANDO AUTOMOBILES will check your vehicle's system, quickly diagnose the problem, and provide cost-effective repair solutions.

Our professional technicians give the best to perform many air conditioning services from testing and regular maintenance to complete A/C system repair.
